In response to your letter dated September 29, 2004 please note that all disbursements itemized on Schedule B for "phone banks", "postage", "printing", and "production" are related to the generic fundraising efforts and communictions made by the Committee. They are not made on behalf of any specific candidate.

In order to be clear in the punlic record, phone banks refers to our generic telemarketing programs, postage, printing and production all refer to our generic direct mail programs, as well as office support such as letterhead, etc. None of these are for specific candidates.

Please contact me if you have any questions.
