Attention: Nataliya Ioffe, Reports Analyst

Dear Ms. Ioffe:

Enclosed, please find a subsequent amendment to the October Quarterly report as I noted a couple of addresses missing and the fact that contributions were checked for both Primary and General.

I have enclosed and amendment to the 12 day Pre-General report. I have corrected the information on John Sullivan in our records. The October 11,2000 contribution should have been attributed to Susan Sulivan and was inadvertently entered into the database on a record opened under the name of Mr. And Mrs. Sullivan rather than on Susan's own individual record. That has been corrected.

I have also enclosed several copies of original solicitations which always contain the required request for occupational information. I have also enclosed a copy of our follow up letter and have highlighted those who have responded and been updated since the original filing.

I have enclosed with this report and all subsequent reports documentation providing the proper disclosure of names and addresses for memo entries.

For the 30 day Post General Election I have corrected the mathematical calculations as requested.
