To: Ryan J. Lanz, Campaign Finance Analyst, Federal Election Commission

From: Timothy Rash, Deputy Treasurer, Good Government for America Committee

Subject: Your letter of June 17, 2005 regarding the April Quarterly Report (1/01/05-3/31/05)

In your letter you inquire about administrative expenses for the Committee. The Committee has very limited overhead and administrative expenses. Disbursements to Benedetti & Farris LLC incorporate provisions for office supplies and expenses such as postage and phone service. No other administrative expenses beyond those reported by the Committee have been incurred, and no amendment is required with respect to this matter.

On future FEC reports, the Committee will take extra steps to better clarify the administrative costs incurred by the Committee.
