Ref: Year-End FEC Report (7/1/99-12/31/99) C00011197
Amendment One

Ms. Kitchen:

This letter is in response to the request for further information we received from you dated March 29, 2000 regarding our 1999 Year-End report. Below I have summarized our response in bullet format in the same order as the request for further information. Supporting documentation is enclosed where needed.

- Schedule H4 descriptions that said only "Consulting", "Consultant", and "Consulting Fee" in this case are better described as "General Consulting". The Schedule H4 has been amended and is enclosed.

- For clarification, the expenditure description of "Media", and "Telephone Voice Broadcasts" reported on Schedule H4 were not expenditures made on behalf of any specifically identified federal candidates. These were Party Generic "News Releases".

- We cannot find any instances in our report where payments made to the credit card company exceeded $200 to any one vendor this year that were not already identified by the appropriate memo entry. Please identify the page number and line item in question.

- Schedule H4 has been amended; the loan interest payment has now been disclosed on Schedule B, line 21b. The summary page has also been changed. All changes are enclosed. There is no need to transfer funds received by our federal account as reflected on the Schedule H4 because we transferred much less than allowed for this period. If this is not acceptable please let me know as soon as possible.

If you should have any questions please contact me at 502-695-4828 ext. 204.

Assistant Treasurer
