In response to your letter dated October 5, 2005 regarding the June Monthly Report (5/1/05-5/31/05) please note that an amended report will be filed with the Commission today to address the issues you have raised.

Aside from those issues, you have stated that five donors have contributed excessive amounts to the Committee. Three of the five have been refunded in prior months and those refudns have been reported to the Commission. Mr. Charles Matheny was refunded $3,300 on June 8, 2005. Ms. Nancy Pham-Dinh was refunded $3,800 on May 31, 2005 and $5,000 on July 28, 2005. Mr. Daniel P. Rice was refunded $18,300 on June 8, 2005.

In the case of Mr. Vance R. Moore, Jr. the manual review of the report missed the aggregate amount. The amount $27,500 was mis-read as $25,700. A refund check in the amouint of $800 was issued upon notification by the Commission.

In the case of Mr. Leonard G. Strickland it appears that Mr. Strickland donated in two different periods giving two different addresses. The database program did not recognize Mr. Strickland as a duplicate file and so it did not aggregate his contribution amounts. A refund was issued to Mr. Strickland in the amount of $8,300 upon notification by the Commission. A more strict suspected duplicate program has been written and all Committee donors are being checked to avoid this in the future.

Copies of the refund will be sent to you by mail. Please contact me with any fuirther questions or concerns. Thank you.
