October Monthly Report (9/1/05-9/30/05)

Dear Ms. Lewis:

PLease be advised that the Committee pays its own administrative expenses, including salary for its one employee, postage, printing, internet services, telephone, delivery services, software and computer services. The salary arrangement with the employee is that she work from her home using her own equipment and supplies. There is an outside accounting firm which handles compliance work.

If you require further information, please call.

Sincerely,

Nikki Heidepriem, Treasurer
