Dear Ms. Ioffe:

In an effort to respond to your request in a timely manner, I am responding with all the the information that I currently have on hand.

I believe that I have accurately corrected all of your concerns. I have refunded the two questionable Excess contributions and have enclosed copies of the checks. We do, of course, realize the importance of accurately reporting and recording contributions and in fact had refunded four excess contributions on that same report. Inadvertently two records had been established for the individuals in question. The others that you highlighted are separate individuals.

I had previously sent a copy of my letter amending my depository to include Big Lake National Bank, along with a newly completed form, at your request.

I only item on which I am currently waiting a response is the date the earmarked items were received by the conduit. I will prepare an additional response upon receipt of this information.

If I can answer any further questions, please contact me at 561 358-2752.

Thank you.

Sincerely,

Donna F. Winterson
Treasurer
