RE: Amended January 31 Report

April 14, 2012

Enclosed please find a newly amended January 31 FEC report.

A packet sent to the FEC on March 15, 2012 in answer to a letter from the FEC dated February 9, 2012 contained amended reports for July 15, October 15 and January 31. The totals in these amended reports reflected corrections that were made to the report.

At that time, the method of reporting returned contributions was by offset, as I had been advised. That method has been changed to considering returns as disbursements in Schedule B. The final totals and cash on hand remain the same.

Thank you for your service.

Sincerely,

Shelley J. Alpern
Treasurer
