Re: Glacier PAC Pre-General monthly report

Dear Ms. Kang:

This letter is in response to your letter dated December 13, 2000 and accompanies our electronically filed amendment.

-We have corrected the disbursement for the KLM group categorized as fundraising expenses and allocated it to the May 9th event.
-You will also notice that the entry on schedule H4 "none/unknown" back out duplicate memo entries is now zero. Since your computer software is now processing memo entries correctly, I have re-entered them, and left the entry in the report.
-Finally, you will notice five memo entries which have zero in the amount box. These were from another report, but because the dates fell within this reports range, they kept appearing. They are credit card memo entries from another report. Therefore, I put zero in the amount, so as to not disturb the report.

If you require further explanation, please contact me at 202-728-1010.

Regards,

Holly Giarraputo
