Re: Nebraska Republican Federal Campaign Committee
Identification Number C00032334
Amended 30 Day Post General Report (10/14/04-11/22/04)

Dear Ms. Jaketic

This letter is in response to the commission's letter dated April 6, 2005, referencing the Amended 30 Day Post General Report. The commission requested additional information regarding disbursements disclosed on Schedule B.

The disbursements described as "FEA Exempt Brochures," "FEA Printing - Slate Cards," "FEA Slate Cards Postage," and "FEA Exempt/Brochure Postage" represent exempt party activity. All of the materials purchased meet the definition of exempt party activity and therefore do not constitute an in-kind contribution. The disbursements were paid for with permissible funds for exempt activity. The candidate supported in these disbursements was Jeff Fortenberry, a House candidate from the First District in Nebraska.

Sincerely,
Jessica Moenning
Executive Director
