Re: 12 Day Pre-General Report (10/1/00 - 10/18/00)
ID No.: C00143230

Dear Mr. Averett:

Reference is made to your February 21, 2001, letter to David Alpert, Treasurer, in which you requested additional information in connection with the above captioned report.

With respect to item one, you have requested event year-to date totals for disbursements. Attached please find an amended Schedule H4 which provides event year-to-date totals. This amended Schedule H4 includes five pages.

With respect to items two and three, you have requested a clarification between the the amounts disclosed on the Detailed Summary Page for: 1) Federal Share of Operating Expenditures; and 2) Non-Federal Share of Operating Expenditures with respect to the sum of the entries itemized on Schedule H4 for these categories. It appears that due to an administrative error, when copies of the above captioned report were being made, pages two and three of a five page Schedule H4 were inadvertently omitted. The amended Schedule H4 that accompanies this letter includes all five pages and equals the totals previously disclosed on the Detailed Summary Page.

With respect to item four, as discussed in the transmittal letter for the NYSDC's April 2000 Quarterly Report, the vendor that designed the NYSDC's compliance software, which was previously approved by the FEC, is no longer in business. We have contracted with a new vendor to provide the NYSDC with a software package that will be in full compliance with FEC Regulations for future reports, specifically the electronic filing requirement for the NYSDC's July 2001 Mid-year Report. The custom programing that is necessary to integrate this new software with the NYSDC's current systems has taken longer than expected.

If you have any questions, please do not hesitate to call me at my office at (212) 725-8825, ext. 227.

Sincerely,

David L. Cohen
