Dear Ms. Sugarman,

We write in response to your letter dated March 18, 2015, regarding the 30 Day Post General report (10/16/2014 – 11/24/2014).

You have asked about 48-hour notices regarding last minute contributions received by the Committee. A 48-hour notice was timely filed for the contribution received from Cracker Barrel PAC, on November 1, 2014, on page 1, entry B.

The contribution from L PAC was wired directly into the Committee's bank account. As soon as the contribution was discovered, we corrected the public record by filing an amended 48-hour notice to reflect that donation. The amended notice was filed on November 7, 2014.

Be assured that the Committee takes our reporting responsibilities very seriously and every effort is made to ensure that all late contribution reports are filed accurately and timely.

We hope this information adequately addresses your concerns. If you need any additional information, please do not hesitate to contact the Committee.

Sincerely,

Judith Zamore
Assistant Treasurer
