Dear Mr. Vert:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-It appears your committee has changed its name, however, you have failed to clarify whether the name of your connected organization has changed. Please be advised that the official name of your connected organization must be included in the name of your political committee. 11 CFR §102.14 While committees may use commonly recognized abbreviations on daily communications such as letterhead and committee checks, the official name of a connected organization, as well as any abbreviation within its title, must be disclosed on committee filings (i.e. Statement of Organization, disclosure reports, and amendments). 2 U.S.C. §432(e)(5)

A response or amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.
