Re: Response to Letters dated 10/27/98 and 11/19/98
FEC # C 00336388

Dear Ms. Sheppard:

I am writing in additional response to the above-referenced letters and to memorialize our previous conversations. As discussed during our conversation, a response is still due the Commission for Item 4 as set forth in said above-referenced letter dated 10/27/98. With respect to Item #4, our response is as follows:

A. For the reporting period April 1, 1998 through June 30, 1998 (the period during which the Committee began operation), the report filed showed fifty seven (57) parties for which employer/occupation information had been requested.

B. During the intervening period, the Committee obtained updates on seventeen (17) of said parties (see attached). Forty (40) parties remain for which information is missing.

C. The Committee will undertake a round of follow-up letters to said parties. A sample information request letter is enclosed. The Committee proposes to update the Commission with respect to the results of this follow-up effort concurrent with the filing of our year end report.

Should you have any questions or further requests concerning the above, please contact me at said address or numbers. Your consideration in this matter is most appreciated.

Sincerely,
CAPUANO FOR CONGRESS COMMITTEE
