Reference: Amended Mid-Year Report (1/1/01-6/30/01), dated 2/15/02

Dear Mr. Fisher:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Line 11(a)(ii) of the Detailed Summary Page discloses \$114,482 in unitemized receipts from individuals/persons other than political committees during the reporting period. Please clarify whether this figure includes any receipts from a single source that aggregate greater than \$200 in the calendar year. If this is the case, please amend your report(s) by itemizing the receipts on Schedule A supporting Line 11(a)(i). 2 U.S.C. §434(b)(2)(A) and (3)(A)

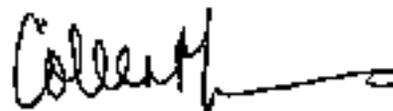

-Please amend Schedule B supporting Line 23 by providing the office sought (House, Senate or President), state and congressional district, if applicable, for each contribution made. 11 CFR §104.3(b)(3)(ii) and (v)

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Refunds of contributions made to federal candidates and committees should be properly disclosed on a separate Schedule A, supporting Line 16 of the Detailed Summary Page. Please refer to the instructions contained on the

forms to determine the proper categorization when preparing your next filing.

A response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designation and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,

Colleen E. Manning

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial data. This includes not only sales and purchases but also expenses and income. The text suggests that a systematic approach to record-keeping is essential for identifying trends and making informed decisions.

Next, the document addresses the issue of budgeting. It states that a well-defined budget is crucial for controlling costs and maximizing profit. The author provides a detailed breakdown of how to allocate funds across different departments and projects. It also discusses the importance of regularly reviewing the budget to adjust for any changes in market conditions or internal needs.

The third section focuses on the role of technology in modern business operations. It highlights how software solutions can streamline processes, reduce errors, and improve overall efficiency. The text mentions various tools and platforms that are commonly used in the industry, along with their benefits and potential drawbacks. It encourages businesses to explore new technologies and invest in training to stay competitive.

Finally, the document concludes with a discussion on the importance of customer service. It argues that providing excellent service is not just a nice-to-have but a necessity for long-term success. The author shares several strategies for enhancing the customer experience, such as personalized communication and proactive problem-solving. It also emphasizes the need for consistent quality and reliability to build a loyal customer base.
