In response to your letter dated October 12, 2005 regarding the Amended February Monthly Report (1/1/05-1/31/05) received 8/24/05 please note that the Committee charges the full normal and usual cost of services provided to federal candidate committees as well as all other organizations who request services from the Committee. These usual and normal charges are incurred by the Committee and are passed on to the requesting entity including federal candidate committees and political action committees without discount.

Please contact me with any further questions. Thank you.
