RE: Eastman Kodak Company Employee Pac
ID #: C00297085

Dear Mr. Ng:

In response to your letter of December 17, 1997, and as I indicated in my phone message to you, problems in the software package, Gnossos, which we are using has resulted in the discrepancy noted in your letter. We have requested assistance from the software company to resolve this problem, and I am hopeful that the problem will be resolved before the next report is due.

If you need additional information, please be sure to contact me.

Sincerely,

Nancy Nord
