RE: L A PAC ID# C00095059
July Monthly Report (06/01/06 to 06/30/06)
FEC Letter of September 8, 2006

Dear Ms. Trainer:

The contribution made which your referenced as over the limit was mis-reported. The amount should have been split between Primary and General election cycles. An amendment has been filed today with the correction.

As to your questioning of administrative expenses for this committee, I inform you of the following: This committee has no office space. This committee has no telephone. This committee has no employees. This committee does retains a professional treasury service and has a professional fundraiser - who is an independent contractor. The fundraiser and the treasury service both are reimbursed for such items as postage, copies and long distance phone calls. These expenses would be shown ion Schedule B and included in payments to these firms and individuals.

Additionally, the committee has a credit card and other operating expenses will appear as a memo item when the vendor reaches the disclosure threshold.

Very truly yours,

Mary Ellen Padilla
Assitant Treasurer
