Due to the inability of the FECFile software to import Memo Text field contents, we have included earmarked transaction details in the 'Description' field for contributions to candidates in Schedules A and B. (This appears as 'Purpose of Disbursement' in Schedule B.) Since the Description field contents cannot exceed 40 characters, we have had to keep the notes as concise as possible. To indicate that a contribution was earmarked and will be transferred in the form of a committee check, the abbreviation 'Comm.' is used. If the contributor wrote a check directly to the candidate and we simply forwarded the check, the abbreviation 'Cont.' is used. I spoke with Ken in the FEC Electronic Filing department, and he confirmed that this was acceptable. Also regarding Oct 10, 2002 RQ-3 there is a question why earmarked contributions are not the same on Scedules A and B. Madison Project follows FEC procedure and timelines. At the end of the quarter however we received checks but they were not transmitted to the candidate until the next reporting period but within FEC timeline requirments. Line 23 has also been corrected as requested. Several contributions were inadvertently listed as unitemized.
