December Monthly Report (11/1/03-11/30/03) FEC letter dated
March 10, 2004

Dear Mr. Koeppen:

This is in response to your March 10, 2004 letter concerning the December monthly FEC report.

We have amended our December FEC report to correct the contribution reported in Schedule A of the report. The contribution is question was from the MGM Mirage PAC, which is a federally registered PAC.

We have also amended our report, Schedule B, to include more descriptive information for disbursements described as "internet expense."

Regarding payments from candidate's committees, reported on Schedule A, Line 15, please be advised that all payments received from federal candidate committee(s) for goods and services provided by this Committee, are at the usual and normal charge for the goods and services provided. With respect to Rent/Occupancy, our Committee charges candidate committee(s) the prevailing commercial rent for comparable rental space.

With respect to incomplete contributor information, please be advised that the Committee exercises "best efforts" in requesting contributor information. The required information, i.e. address, employer and occupation, is requested in the initial solicitation and then there is a follow-up request in writing with all the appropriate language and a self-addressed stamped envelope made within 30 days. The Committee routinely includes with its regular filings a list of contributors with the additional employer/occupation information. This has been the standard policy of the Committee and the procedures have always been followed.

If you require further information or clarification, please notify me.

Sincerely,

David Rudd
Treasurer
