Re: M-PAC
FEC ID No. C00365270

Dear Mr. Koeppen:

This is in response to your letter dated May 12, 2004 concerning the Amended April Monthly Report (3/1/04-3/31/04), received 4/21/04, of the above referenced Committee.

You ask about a contribution that M-PAC (the "Committee") made to a federal candidate after the date of that candidate's primary election. The contribution in question was not designated to any election, therefore would be considered a contribution to the candidate's general election. Due to a data entry error, the contribution was inadvertently reported as a contribution to the primary election. The Committee will amend its report to correctly show the disbursement as a general election contribution.

You also ask about disbursements that were reported on the Committee's amended report but were not shown on the original report. On the day that it filed its original report, the Committee was unaware that these disbursements had been issued. The day after the original report was filed, the Committee was notified of the disbursements and filed an amendment immediately.

We hope that this information adequately addresses your questions. If you need any further information, please do not hesitate to contact the Committee.

Very truly yours,

Judith L. Corley
Counsel to M-PAC
