Re: Carper for Senate (Identification Number C00349217)

Dear Sir or Madam:

Please accept this letter as the reply of Carper for Senate (the "Committee") to the August 26, 2003 letter issued by Kelly M. Scindian, Campaign Finance Analyst, Reports Analysis Division Federal Election Commission concerning the Committee's April Quarterly Report (1/1/03-3/31/03) (the "Report") with a response due date of September 25, 2003.

With regard to the aggregate totals for: Direct Voice PAC, American Maritime Officers Retirement Association PAC and Morgan Stanley Dean Witter & Company PAC, please be advised that contributions from each PAC, received in February 2001, were coded with the wrong year. Accordingly, the contributions, set forth below, were not previously reported:

Contributor	Date	Amount	Cycle
Direct Voice PAC	2/1/01	$1,000	Primary
American Maritime Officers Retirement Assoc. PAC	2/1/01	$2,000	Primary
Morgan Stanely Dean Witter & Company PAC	2/1/01	$1,000	Primary

As a result of the above coding error, a discrepancy in the Committee's election cycle-to-date totals exist. Furthermore, in reviewing Ms. Scindian's letter, the Committee discovered that a similar coding error occurred as to an individual contributor, Lowell Strader, who contributed $108 on February 1, 2001 for the Primary cycle.
