Reference: November Monthly Report (10/1/93-10/31/93)

Dear Mr. McFeeley:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. The Act precludes a committee from receiving contributions from another political committee or person in excess of $5,000 per calendar year. (2 U.S.C. §441a(f) and 11 CFR §110.1(d))

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeds the limits, you should either refund to the donor the amount in excess of $5,000 or, if appropriate, seek reattribution of the contribution pursuant to 11 CFR §110.1(k). Alternatively, if you choose to transfer the funds to an account not used to influence federal elections, the Commission advises that you inform the contributor in writing and provide the contributor with the option of receiving a refund. You may wish to seek a written authorization (either before or after the transfer-out) from the donor for any transfer-out to protect the donor's interests. (11 CFR §§103.3(b) and 110.1(k))

Please inform the Commission immediately in writing and provide a photocopy of your check for the refund or transfer-out. In the best interests of the committee, all refunds, reattributions and transfers-out should be made within sixty (60) days of the treasurer's receipt of the contribution. See 11 CFR §103.3(b). Refunds and

transfers-out should be disclosed on a supporting Schedule B for Line 28 or 22 of the report covering the period during which they are made. Reattributions are reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received.

Although the Commission may take further legal steps regarding the acceptance of an excessive contribution(s), prompt action by you to refund, seek reattribution and/or transfer-out the excessive amount will be taken into consideration.

-Please provide the correct totals for Lines 6(d) and 8, Columns A and B of the Detailed Summary Page.

-The totals listed on Lines 6(c) and 7, Column B of the Summary Page appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals.

-The beginning cash balance of this report should equal the ending balance of your 1993 October Monthly Report (9/1/93-9/30/93). Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-Your calculations for Lines 30 through 31 appear to be incorrect. FEC calculations disclose this amount to be $240,912.73. Please provide the corrected total(s) on the Detailed Summary Page.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,

Debbie Manzano
