Re. April Quarterly Report (1/1/04-3/31/04)

Dear Ms. Hodgson,

In response to your request for further clarification with regard to our April Quarterly Report (1/1/04-3/31/04), disclosures of limited payments for administrative expenses and no payments for salaries or wages, we are providing the following information

-We did not have any salaried employees, but instead used volunteers and interns for office tasks such as answering telephones, opening mail, filing and Xeroxing. None of these individuals spent more than 25 percent of their time on Federal election activities or on activities connected with a Federal election.

-As to the absence of any expenditure for rent during this period, we were in the process of negotiations for price and other factors and negotiations have not yet been finalized.

If you have any questions regarding our response, you can reach me at (202) 277-6864.

Sincerely,

Horace Kreitzman
