Attached is the amended report for the Year-End Report that covers the period of (7/1/97-12/31/97). This report is amended in response to your letter concerning certain contributions from other political committees. In that letter, it was stated that the contributions from other political committees were listed as $8,500 in the Detail Summary Page, however, the itemized amounts totaled $7,600 on Schedule A. This discrepancy was the result of a typographical error which resulted in a contribution being reported as $100 when in fact the amount was $1000 on Schedule A.
