October Quartely Report (7/1/09 – 9/30/09); and
Year End Report (10/1/09 – 12/31/09)

Dear Ms. Hannan,

In response to your request to review and correct the aggregate totals and column B disbursement values, we have audited and amended these listed.

"Election Cycle-to-Date" field for Baxter Healthcare PAC have been corrected. This record was inadvertently duplicated in our electronic records keeping system and consequently not accumulating the Donor Totals properly.

Thank you for pointing out the missing memo schedules for the Joint Fundraising Receipts. These entries were in our electronic record keeping system, however, the system was not recognizing them properly for purposes of printing their itemization on either the July Quarterly or the October Quarterly reports, but was in fact accumulating their values in the cycle-to-date totals. Our vendor has corrected this issue and the amendments enclosed seem to answer both your items #3 and #4.
