This amendment makes modifications requested in the Commission's letter of March 20, 2002. Please note that the discrepancy between credit card payments and the memo schedules attached to such payments is caused by the fact that the committee is not paying the full amount of each credit card statement. This is reflected by the disclosure of a debt on Schedule D to Pitneyworks. In fact, most of the payments made during this report reflect the balance due from charges incurred during the 2000 calendar year.
