Re: Human Rights Campaign PAC (March 2008 Monthly Report)
Identification Number: C00235853

Dear Ms. Larkin:

This letter responds to your request for additional information dated May 14, 2008 regarding HRC PAC s March 2008 Monthly Report.

You asked for a description of HRC PAC s procedures for requesting the identification of information for individuals who contribute in excess of $200 in a calendar year. HRC PAC has established procedures consistent with the FEC s best efforts regulations. HRC PAC solicitations include a clear and conspicuous request for contributor information. If that information is not provided in response to the original solicitation, HRC PAC has a standard form letter to send to individuals specifically requesting this information. Finally, our procedures provide that contributor information that is received after the contribution is reported will be appropriately disclosed in an amended or future report.

In response to a previous letter, HRC PAC initiated a further review of its procedures in order to regularly obtain updated contributor information from recurring contributors, i.e. contributors who make monthly or quarterly contributions to HRC PAC. HRC PAC is in the process of requesting additional or updated information from these contributors and will amend reports or update future reports as appropriate.

I hope this additional information answers your specific requests. Should you need further information, please feel free to contact me at (202) 216-1549.

Sincerely,

Jim Rinefierd
Treasurer
