RE: Andrews for Senate Committee C00448654

Dear Ms. Iovino:

This letter is in response to your Request for Additional Information dated August 27, 2009, concerning certain disbursements and our demonstration of "best efforts" in obtaining information from individuals.

I have amended the relevant sections of Schedule B supporting Line 17 to clarify the description of "debt payment" to Trenton Printing and Kennedy Communications, LLC. Attached are the amended pages of the report.

As to our "best efforts" in obtaining employer information, following is our committee's policy: If a contributor does not provide all the requested identification information, as Treasurer, I either make a phone call to the individual, or if I do not have or cannot obtain a phone number, the committee sends a letter via mail, or email if that address is known, within 30 days of the receipt of the contribution.

The letter and/or the phone call clearly asks for the missing information without soliciting a contribution, reminds the contributor of the federal law requiring reporting of the information and, if necessary, a pre-addressed envelope is included for the contributor's convenience. In addition, when, or if, the committee receives a response, the campaign report will be amended to reflect the new information.

I also make every attempt to search for missing information myself, while waiting for a response via the internet by doing a search through Google.

Please let me know if you require any additional information regarding our committee's compliance with this rule or any other.

Yours truly,

Maureen A. Doherty
Treasurer
