Ohio Republican Party C00162339
(2004 Post General Report)

Please be advised that I have reviewed the above report and found that I had posted proceeds from Joint State Victory Committee's memo entries on Line 11 a and c in error. I have changed all of the affected memo entries and posted them on Line 12 where they belong.

Should you have any further questions please contact me.

Sincerely,
Terri Matthews
Controller
