Dear Christian Hilland,

Please find enclosed the following:

- Our Amended January 31 Year-End Report of Receipts and Disbursements for the period of 10/01/2005 – 12/31/2005. The Column B figures for the Summary and Detailed Summary Pages have been corrected.

We use the FecFile program offered by the FEC to print our reports. When creating a new report the election cycle date automatically defaults to an older election cycle date in the data set which will result in errors in the Column B figures.

As per our telephone conversation on March 29, 2006 I will disregard the second request regarding Schedule A concerns. You stated that this paragraph was generated in error and that you would correct all items of public record.

I appreciate your help regarding this matter and trust that this amended report will furnish the appropriate information.

Sincerely,

June V. Tope

Re: Friends of Greg Parke
FEC ID: C00390195

Dear Robin:

This correspondence is in response to your questioning the unitemized amount of $121,037.77 for the 2nd quarter 2005 filing (due July 15th). We receive contribution files from third party processors which I used to upload to Keep-In-Touch for FEC filing. I have to reformat files to an acceptable processing format but I do not affect the detail data. Over time we receive multiple donations from individuals. However, much of our contributions come from diverse individuals. I have to rid the system of duplicate records of individuals and that could affect the unitemized total somewhat. However, that total is fairly accurate as it stands now based upon the data provided to me.

Thank you.

Sincerely,

Wayne A. Carlson
