Dear Mr. Lushefski:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your report discloses what appears to be a returned contribution from a federal candidate totalling $500 on Schedule B supporting Line 28(c). If the check written by your committee was not cashed, you should itemize the voided check on Schedule B supporting Line 23 as a negative entry. Line 28(c) should only be used when your committee is issuing a refund back to a federal candidate or other political committee(s) (such as PACs) that have previously contributed to your committee. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your amended report.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,

Edward D. Ryan
