RE: May Monthly Report (4/01/2004 - 4/30/2004)

Ms. Phillips,

A review of our 2004 May Monthly Report (4/1/2004 - 4/30/2004), raised a question by the Commission concerning impermissible contributions after an election has taken place and another inquiry about excessive contributions.

Your letter dated May 26, 2004, listed three candidate committees with different situations. The Bob Ney for Congress committee received a Primary Election contribution after the election was held. We are reallocating that contribution toward the 2004 General election on our next monthly report.

The Wohlgemuth for Congress committee received a contribution for the 2004 Primary Runoff Election held April 13, 2004. Our contribution did not specify the Runoff Election status. The May Monthly Report will be amended to reflect the correct election cycle of 2004 Primary Runoff Election.

The July 21, 2003 contribution made to the Beauprez for Congress Committee was allocated for the 2002 Primary Election Debt Retirement and should not be included in the total for 2004 Primary contributions. Copies of both the contribution check and the 2003 August Monthly report, as filed with the Federal Election Commission, are enclosed with the phrase "Debt Retirement" highlighted. Since no excessive contribution has been made toward the 2004 Primary Election for this committee, no further action is necessary.

If you have any questions, please call me at (703) 267-1155.

Sincerely,

MaryRose Adkins
