This amendment is in response to the Commission?s letter dated April 6, 2007. The totals listed on Line 18(a) for the 12 Day Pre-General, 30 Day Post General, and Year-End Reports include transfers from the Non-Federal Account for disbursements made in September 2006, reported on the October Monthly Report. The total for allocable expenditures for this period, therefore, would be $201,406.56, including those listed on the October Monthly. Additional employer and occupation information has been included in this amendment. However, regarding the Committee's best efforts: The Committee's original solicitations for contributions include a request for contributor information, including, but not limited to, their name, address, occupation, and employer, explaining in a clear and conspicuous manner that the Committee is required by law to both request this information and report the information that is provided. At the end of each month, the Committee mails a letter requesting the information for those individuals whose aggregate year to date contributions exceed $200. This letter, as well, states in a clear and conspicuous manner that the Committee is required by law to both request this information and report what is provided. This is in the form of a stand alone request that is accompanied by a self addressed envelope. Any information that is received as a result of the secondary request is provided with amended reports submitted to the Commission.
