RE: Amended October Monthly Report (9/1/04-9/30/04)

Dear Ms. Adams;

This correspondence is in response to your "Request For Additional Information" ("RFAI"), resulting from the Republican National Committee's ("RNC") "October Monthly Report (9/1/04-9/30/04)".

Regarding year-to-date calculations, this report has previously been filed with the correct data reported. During the process of amending several reports, the data did not always correlate. At this time all reports are amended and the year-to-date calculations correlate with prior reports. No correction to this data is being filed with this amendment.

Regarding Schedule B, the terms "Promotional Services", "Voter Registration Costs" and "Voter Registration Efforts" have been corrected to more clearly describe the purpose of the disbursement and the report has been amended.

Our committee was not a participant in the "2004 Joint Victory Committee" or the "Joint Victory Comm 04" the joint fundraising committees of certain Republican state party committees. However, as a party committee, we did make legally allowable in-kind transfers to these committees. Our committee did not receive any of the contribution proceeds resulting from these joint fund raising committee efforts.

The above corrections have been made and our report has been amended.

I trust this response answers your inquiry. However, if you need further clarification please do not hesitate to contact me.

Sincerely,
Mark Meeks
Director of Accounting
