RE: Letter dated Jan. 12, 1999

Ms. deBeau:

We are filing an amended 30 Day Post-General Report that has corrected the discrepancies noted in your letter.

Contributions received after the General election has been changed to reflect the primary period of their receipt.

One half of the contribution from Mr. Phillips has been redesignated to the next primary election cycle. I have enclosed a copy of his letter giving permission to do this.

Several pages contain manual corrections that were required to show correct totals.

We have also committed ourselves to reviewing our procedures for recording and reviewing campaign transactions to avoid future errors.

I will telephone you next week to determine if there are other items we need to address.

Sincerely,

Elyria L. Mackie
