The funds reported on Schedule B supporting line 22 were not in any way used in connection with any federal election, or any federal candidate, or any activities that qualify as Federal Election Activity. Rather these transferred funds were utilized soley in connection with state and non-federal candidates and activities. There are no wages reported on Schedule B supporting Line 30(b) because there are currently no employees who are providing services for any Federal Election Activity or who are spending more than 25 percent of their time on activities in connection with a federal election or any federal candidates. All activity on this report is generic in nature and does not support any federal candidate or any other Federal Election Activity. The definition of Field Operations as described in the purpose field for Voter Drive expenses on H4 are as follows: Voter contact work by phone. Voter ID by walking door to door, volunteer voter recruitment by phone, voter literature drops, voter registration by walking and setting up tables at events, and data collection. The petty cash disbursements account is used for cash expenditures which do not exceed $100.00 to any person or purchase transaction. No disbursements are made for candidates. You have asked for clarifying information regarding the voided or returned checks for expenditures made to individuals during previous reporting periods. These checks were not reissued because they were issued to volunteers who decided to donate their personal time and personal services rather than cash the checks. Personal time and personal services do not qualify as in-kind contributions under commission regulations. Therefore the party is permitted to void these checks and is not required to reflect any in-kind contributions received from these individuals.
