Dear Ms. Davis:

I am writing in response to your letter regarding the April Quarterly Report of the Friends of Dick Durbin Committee.

On March 16, I faxed a 48 hour report for John Gleason. I did not receive a receipt confirmation from the Office of Public Records and I thought it might have been because of the snow storm in DC. I faxed again on March 17th with a note explaining that I had sent it the previous day. However, the date stamp on my fax machine was incorrect, which I did not notice until several days later, so it appeared that I did not fax until the 18th.

Marc Rockford's contribution was an online contribution. Our online contributions are uploaded overnight. When I ran the 48 hour report for the 12th and 13th , his contribution had not yet uploaded so did not appear on the report I sent that day. The next time I ran a report, I started with March 14th, not realizing there was another donation for the 13th. When I ran the report after receiving your letter, his name appeared on it. I have enclosed a copy.

Thank you for bringing this matter to my attention.

Sincerely,

Douglas A. Dougherty
Treasurer
