Subject: Amended 2004 July Quarterly Report, filing ID FEC-167741.

In reference to your letter of February 16, 2005 regarding the Good Government for America Committee's July Quarterly Report (4/1/04-6/30/04), the Committee is filing an amended report.

This new report corrects two administrative errors.

1. On 4/14/04 the Committee contributed $5,000 to the John Thune for U.S. Senate committee and inadvertently reported the donation as if it had been attributed to the Primary Election. It was actually a contribution for the General Election, and should have been reported in this manner on the original filing. This correction is reflected with this amended filing.
2. A data entry error caused a $5,000 error on the Summary and Detailed Summary Pages of the report. The error has been corrected and the correct totals are reflected in the amended report.

Your letter requested clarifying information about a disbursement for "PRINTING EXPENSE". This expense was part of the Committee's own fundraising efforts and was not made on behalf of a specifically identified federal candidate. Therefore, no amendment is necessary.

Finally, your letter inquired about administrative expenses for the Committee. The Committee has very limited overhead and administrative expenses. Disbursements to Benedetti & Farris LLC incorporate provisions for office supplies and expenses such as postage and phone service. No other administrative expenses beyond those reported by the Committee have been incurred, and no amendment is required with respect to this matter.
