This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above**. An itemization of the information needed follows:

-When reporting disbursements for electioneering communications, the person, group of persons, or qualified non-profit corporation or organization making the communication must disclose the name, state, office, and district (if applicable) of the federal candidate(s) clearly identified in the electioneering communication, as well as the election for which the disbursement was made.
