Reference: July Quarterly Report (4/1/94-6/30/94)

Dear Mr. Wimmer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The identification of each contributor, including the person's occupation and name of employer, must be provided if the person has contributed in excess of $200 in the aggregate during the calendar year. Please amend Schedule A supporting Line 11(a)(i) for each entry lacking a contributor's Name of Employer and Occupation.

Note: If your committee has made attempts, either by a written request or by an oral request documented in writing to obtain this information from each contributor, your committee may have exercised "best efforts." Under revised 11 CFR 104.7(b), such effort shall consist of an initial clear and conspicuous request for the name, mailing address, occupation, and name of employer of each individual who has contributed over $200 in the calendar year which informs the contributor that the reporting of such information is required by law. If necessary, your committee must make a written follow-up request or an oral follow-up request documented in writing, within thirty days with no additional solicitation. Subsequently, the committee should report any changes provided by the contributor or any additional information which is in the committee's records. If you believe that your committee satisfies the "best efforts" provision, you should provide a copy of your solicitation or an explanation of the method(s) used to obtain contribution information. Clarification regarding "best efforts" should be disclosed during each two year election cycle beginning with the first report filed in the non-election year. 11 CFR §104.3(a)(4)(i)

-Your calculations for Administrative/Voter Drive EVENT YEAR-TO-DATE totals are incorrect. EVENT YEAR-TO-DATE totals for administrative and voter drive costs are derived by aggregating all disbursements during the calendar year within the category, and carrying them forward from one report to another on Schedule H4 (in the same way Calendar Year-To-Date-Column B totals are carried forwarded from one report to another). Please amend your report by providing the correct Administrative/Voter Drive EVENT YEAR-TO-DATE totals.

-Line 28(a) of the Detailed Summary Page discloses refunds of contributions to individuals/persons during the reporting period. If this figure includes any refunds to individuals/persons, that were previously itemized on Schedule A, please amend your report by itemizing the refunds on Schedule B. 2 U.S.C. §434(b)(4)(F)

-Your report has failed to include a transfer from the Federal Account into the non-federal account totalling $8,500 for "the moneys that were illegally deposited" into the Federal Account (pertinent portion(s) attached). Please be advised, the original Request for Additional Information (RFAI) dated April 13, 1994 informed the committee that transfers-out should be disclosed on a separate Schedule B supporting Line 22 on the report covering the period in which they were made. Please amend this report by including the "transfer information" that occurred within this reporting period and amend all subsequent report(s) that may be affected by this correction.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.
