FEDERAL ELECTION COMMISSION
999 "E" Street
Washington, DC 20463
Attention: Jennifer K. Wall

Dear Ms. Wall:

This letter is in reply to the Commision's preliminary review of the Raisin Bargaining Association reports.

The beginning balance for the January 1 through June 30, 1993 report is incorrect. I have made amended reports that are attached and will correct this error.

Mr. Girard Kasparian was elected treasurer of the RBA in January 1990. He still holds that position.

Regarding the itemized contributions, on future reports I will segregate individuals who contribute greater than $200 in a calendar year.

If I am out of compliance on any other item/s or this letter and amended reports are not sufficient to correct the above errors, please advise.

Sincerely,

Shirley A. Marple
