Dear Mr. Booker:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-On your Amended 30 Day Post-General and Year End Reports you state that the contribution to the Democratic Congressional Campaign Committee "was issued as a federal contribution designated to Non-Federal" and the contributions to Grucci for Congress and Ferguson for Congress were "reported in error these were designated for the Special General Debt retirement for both." However, the amended Schedule B discloses these contributions as a negative entries, indicating that the contributions were not made. Please clarify these discrepancies. Also, please clarify the nature of the contribution to Kelly for Congress. If this contribution was disbursed to this committee please amend your report to show this disbursement as a positive number.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division).
