Re: October Monthly Report (9/1/04-9/30/04)

Dear Ms. Jones:

This letter is in your response to your letter of December 15th, 2004 for more information on our October Monthly Report.

With regard to the contributions to the Richard Burr Committee for a total of $9000.00 reported to the General election,

these contributions were reported incorrectly. The contribution to the Richard Burr Committee made on 6/22/2004 should

have been reported as a contribution to the Primary. I have amended the July Monthly report to reflect this correction. We
have also mailed under separate cover a copy of the original check designating the check to the Primary election.

You have also asked our committee to clarify our expenditures made for 'Golf Fees/Catering for Fundraiser' on the schedule B.
Our PAC committee has a golf fundraiser each year to raise funds for the PAC. This fundraiser does not support any specific
federal candidate.

As for the question on limited payments for administrative expenses, we would like to clarify this to the FEC. PATPAC contracts
a fundraiser(Brandon Winfrey with Winfrey & Company) as well as a bookkeeper (Danna Lane) and submits payments to them which
reported out on the montly FEC reports. Both of these vendors supply the administrative duties needed to run our PAC.

If you have any other questions, please don't hesitate to contact me.

Sincerely,

Brandon Winfrey
