Dear Ms. Singleton:

On November 5, 1997, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your November 14, 1997 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response states that transfers from your non-federal account, on Schedule H3, do not exceed the non-federal share of allocable expenses according to ratios reported on Schedule H2. Our records indicate that the non-federal share on Schedule H4 is less than the amount transferred on Schedule H3 for the following "Administrative" and "Fundraising" events: 311, 312, 312-000-000-311, 312-309-301-310, 313-321, 313-322, 313-323, 313-325, 313-325-346, 313-325-371. The original and amended July Monthly (6/1/97 - 6/30/97) and August Monthly (7/1/97 - 7/31/97) Reports have also been reviewed by the Commission to verify that the transfers were within the 70-day window. However, the amount transferred from your non-federal account still appears to be excessive. Please clarify the nature of these transfers-in from the non-federal account. Be advised that any excessive amount received by your federal account must be transferred back to your non-federal account.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Jennifer Wall on our toll-free number (800) 424-9530 or our local number (202) 219-3580.

Sincerely,

John D. Gibson
