Response Due Date:

Reference: Amended Statement of Organization, received 1/15/04

Dear Ms. Anderson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Line 5(b) indicates that your committee is an authorized committee of George Allen; However, Commission records indicate this candidate has not designated your committee as an authorized committee to act on his behalf. Further, Line 5(f) of your committee's Amended Statement of Organization, dated 8/30/03 indicates that your committee supports/opposes more than one Federal candidate and is not a separate segregated fund or party committee. Please amend your filing to clarify this apparent discrepancy and indicate the appropriate type of committee on Line 5. 11 CFR §102.2(a)(1)(i)

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
