Reference: Miscellaneous Text Submissions (Form 99), received 6/27/08

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the documents referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

The Commission received the Miscellaneous Text Submissions that reference the Amended February Monthly Report, Amended March Monthly Report, and Amended April Monthly Report. Please be advised that when a payment is made to reduce or extinguish an obligation owed by the committee, the payment must be itemized on Schedule B-P, reported on the appropriate line of the Detailed Summary Page, and included in the "Payment This Period" column on Schedule D-P. The "Payment This Period" should only include payments to reduce that debt that are made during the reporting period. For further guidance, please see the "Instructions for Schedule D-P Debts and Obligations (Form 3P)."

Please amend your report(s) to include only payments made to reduce debts in the "Payment This Period" field of Schedule D-P.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to

taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact us on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or use the local numbers listed below.
