FEC MISCELLANEOUS TEXT RELATED TO A REPORT, SCHEDULE OR ITEMIZATION

Form/Schedule: **F3XA**
Transaction ID :

This Amendment is in Response to the Commission's letter dated April 15, 2015. 1. The beginning cash balance of this report has been corrected. 2. the Column B totals of the Summary Page(s) have been corrected. 3. The total on Line 11(a)(i) of the Detailed Summary Page has been corrected. 4. The contributions disclosed on Schedule A that exceeded contributions have been returned to the donor in May 2015. Please see Schedule B for Line 28a of the Committee's June Monthly Report. These contributions were accepted in error as a result of duplicate entries in our system for the same donor, while crossing reporting periods. As a result, the calculation of the Year-to-Date totals by our reporting software were inaccurate. 5. The contribution from American Federation Of Govt. Empl. Political Action Committee was received from their federal PAC. Our Committee had not received any other federal contribution from the PAC during 2014, and there were no specific instructions from the PAC that the contribution was sent as a non-federal contribution. Therefore, the contribution was made with federally permissible funds. We have requested that the PAC amend their disclosure report to reflect this fact. 6. All of the activities designated as ""Exempt"" met the definitions of Exempt Activities. Additionally, none of the funds received from the Democratic Senatorial Campaign Committee, or the Democratic Congressional Campaign Committee were designated for a particular candidate or any of the activities disclosed as exempt activities. 7. The expenditures reported on Schedule F for Line 25 that were made after the date of the election were for coordinated activities where the expenditure and the activity occurred in the same reporting period. 8. None of the funds received from the Democratic Senatorial Campaign Committee, the Democratic National Committee, or the Democratic Congressional Campaign Committee were used as the Federal component of an expenditure or disbursement for Federal Election Activity. The Committee uses internal accounting procedures within our accounting system to both track transfers from national party committees, state, district or local party committees, and to ensure none of those funds are used for unauthorized activities. Payments for 'Payroll,' 'Payroll Taxes' and 'Health Insurance' on Schedule H4 are for those individuals who did not spend more than 25 of their time during the period on activity in connection with a federal election. Payments for 'Payroll' and 'Payroll Taxes' reported on Schedule B supporting Line 21(b) are for paid canvassers that did not spend any of their compensated time in a given month on Federal Election Activity or activities in connection with a Federal Election.
