Reference: June Monthly Report (5/1/00-5/31/00)

Dear Ms. Becker:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B supporting Line 23 of your report discloses a contribution(s) to a candidate(s) for the primary election; however, the funds were disbursed after the election date(s) (pertinent portion(s) attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign. Please clarify the contribution(s) and disclose any redesignations or refunds as necessary on the appropriate schedules.

-Schedule B supporting Line 23 of your report discloses contributions to what appears to be leadership committees established by federal candidates; however, in most or in all instances you have disclosed the name, state, and congressional district of candidates in the purpose of disbursement field. Please clarify whether these were earmarked contributions made by your committee through the leadership committees to the candidates, or if you made the contributions to the political committees exercising no direction or control over how the funds were to be used. If the latter is the case, please do not include the candidate's name in the purpose of disbursement field on future reports.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,

Edward D. Ryan
