In regard to your letter about Frank Genovese's contribution, I wanted to notify you of our amend and why we did it.

The originally reported $5000 memo contribution made on Jan 8, 2002 was a transfer from a joint fundraising account. It was improperly reported on the day it was transfered not on the day it was received by the committee.

The originaly contribution was made on Sept. 10, 2001. So Mr. Genoves was not over in his yearly contribution limit. All the necessary reports have been amended to indicate the correct transaction dates.

If you have any further questions regarding this matter please feel free to contact me.
